Address to mail deposit refund: _____

Desired Location: _____ Hydrant tag number (9 digits): _____

Purpose: _____ Anticipated dates needed: _____

TERMS OF AGREEMENT

- A backflow prevention device is included and will be issued with the hydrant meter.
- The City of Casselberry will install the hydrant meter, and lock it in place on your hydrant of choice within the City of Casselberry's water service jurisdiction. The City of Casselberry hydrants are painted silver and green.
- The City of Casselberry's Cross Connection Control Division will take random readings and make inspection of the hydrant meter and backflow prevention device at any time.
- Billing is done monthly and/or at the time of job completion, whichever comes first. It is your responsibility to notify the City of Casselberry when you are done with the hydrant meter so that a final reading can be taken and the City can retrieve the meter.
- The final balance due will be taken from the deposit, and the rest refunded to you or your company in a timely manner by mail. **NOTE:** Costs for any damages, loss or theft of the equipment will be withheld from the deposit to repair or replace the rented hydrant meter and backflow prevention device. If the final balance exceeds the deposit, a final bill with the balance will be mailed.
- You are responsible for supplying your own "Hook-Ups" to the hydrant meter itself. Any plumbing supply or hardware store should carry these hook-ups. Please contact Utilities Customer Service to determine the meter size you are renting. Common sizes are 1", 2" or a 3" meter.
- A deposit of \$1,200.00 is required prior to installation of the hydrant meter. Payment can be made by cash, check, Visa, MasterCard or American Express.
- There will be a \$30.00 connect fee and a \$30.00 disconnect fee assessed.

The undersigned understands and agrees to the conditions above for use of a hydrant meter provided by the City of Casselberry.
