

FREE TREES

Trees can reduce your energy costs by up to 20%.

The Florida Forest Service, in partnership with the Arbor Day Foundation, is offering free trees to the homeowners of Florida through the Energy-Saving Trees program. When you plant the right tree in the right place it can help save energy and reduce utility bills. That's a win-win!

Each household is able to reserve one tree, but tree quantities are limited, so sign up today.

Beginning January 15, reserve your free tree at
arborday.org/floridatrees

This program made possible through a grant from the USDA Forest Service.
